Last Date
21st February 2020
Mahatma Gandhi Antarrashtriya Hindi Vishwavidyalaya was established to fulfil a dream of Mahatma Gandhi, the father of the nation. The University was created by an Act passed by the Indian Parliament in 1997. Section-3 of the Act mandates special and unique responsibility to the University to enrich Hindi language and literature by teaching and research and make it capable of becoming a World language in the real sense of the term.

About the School of Education

The School of Education, MGAHV, Wardha aims to develop qualified and dedicated teachers, who understand students as part of their social context and provide opportunities for co-creation of knowledge. It also aims at developing innovative curricula, pedagogy and teaching – learning material (including e-content) for use by the teachers, teacher educators, educational administrators, educational practitioners and researchers in the areas of teacher education and educational studies in general, besides strengthening the existing academic programmes for prospective secondary and senior secondary school teachers. It endeavours to promote excellence in faculty that would represent a thriving community of teachers, researchers & authentic thinkers imbued with the spirit of connecting essence and fine elements of vast reservoir of knowledge and wisdom with contemporary pedagogic needs of various subject specific disciplines.

Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching

The PMMMNMTT is a central scheme launched by the MHRD, Govt. of India with all-India coverage. One of the important goals of the mission is to empower teachers and faculty members of higher education institutions through training, re-training, Induction, orientation and refresher programmes in generic skills, pedagogic skills, and discipline specific content upgradation, ICT and technology enabled training and other appropriate interventions.

Five Day National Workshop

Research in the universities and colleges are being questioned for its quality all the time. The environment of doctoral research in many of the universities is not so favourable. The reason behind is the lack of attitude and approach towards scientific and qualitative research. Doctoral education has traditionally focused on training students as researchers in a wider perspective. However, theoretical and conceptual clarity should be ensured by a doctoral degree as penultimate to success in academic and non-academic career. Universities are the common centres of research though there are focused research centres. About the mission of university Baird (1990) denotes that it is to train students to perform independently research. Normally after several years of work under the guidance of a supervisor, a Ph.D. student presents a dissertation to attain a doctoral degree. Still there are a lot of issues in our universities.

Lack of quality orientation, lack of disciplined doctoral programme, lack of orientation among supervisors and facilitators, issues related to course work and theoretical as well as practical appraisal, etc. are some of the concerns in this regard. At the same time, proper orientation is also required to strengthen the research environment and quality of research - both doctoral and post-doctoral including research projects. The proposed workshop will address many of these concerns and will surely appraise the existing research environment qualitatively.
Sub Themes of the Workshop

- Trends and Concerns in Social Science Research
- Debates on Qualitative and Quantitative Research
- Research-Quantitative Paradigm - Designs-Experimental and further
- Research- Qualitative Modalities
- Research Design
- Writing Qualitative Research
- Statistical Reasoning
- SPSS-Multivariate Analysis, Regression, Factor Analysis, Factorial
- Structural Equation Modelling and AMOS

Venue of the Workshop
Department of Education, University of Kerala,
Thiruvananthapuram, Kerala

Organizing Committee

Patron
Prof. Rajaneesh Kumar Shukla
Hon’ble Vice Chancellor
MGAHV (Central University), Wardha

Programme Director
Dr. Gopal Krishna Thakur
Head, Department of Education
Project Coordinator: SoE -PMMMMNMTT
MHAHV, Wardha, Maharashtra

Organizing Secretary
Dr Shireesh Pal Singh
SoE, MHAHV, Wardha

and

Dr Sameer Babu M
Assistant Professor of Education
University of Kerala

Faculty Members & Staff
of
School of Education, MGAHV, Wardha

Faculty Members, Department of Education,
University of Kerala
Prof. (Dr) Bindu RL, Head of the Department
Dr Geetha Janet Vitus
Dr Bindu D, Dr Sindhya V
Dr Divya C Senan
Five Day National Workshop
(12-16, March 2020)
on
Quality Doctoral Research and Structural Equation Modelling
Under the scheme of
Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching
Ministry of Human Resource Development, Government of India
Venue: Department of Education, University of Kerala, Thiruvananthapuram, Kerala

APPLICATION FORM

Part – 1: To be filled by the Candidate

1. Name of Applicant (in Capital letters): .................................................................

2. Designation and Office address: ........................................................................

Post Office: ........................................................................................................
Pin Code: ...........................................................................................................
Phone No.: ........................................................................................................
E-mail: ...................................................................................................................

3. Affiliating University: ...........................................................................................

4. Scale of Pay: ..................................................... Basic Pay: ........................................

5. Date of Birth: .......................................................................................................

6. Category: SC ST OBC GEN Whether PwD: Yes / No

7. Educational Qualification: P.G. M.Phil. NET/SLET Ph.D.

8. Residential Address: ............................................................................................

Mob. No. ...................................................................................................................

9. Date of Appointment: ..........................................................................................

11. Teaching Experience: Years: ................. Months: .................

If confirmed, date of confirmation in permanent Post: .............................................
12. Details of Orientation/ Refresher/FDP courses attended so far: .........................................................

<table>
<thead>
<tr>
<th>Sl. No.</th>
<th>Course</th>
<th>Date</th>
<th>Name of the Institution/HRDC</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

13. For outstation participants: Accommodation – (Required/Not Required).............If not please give the local address where you will stay..........................................................

14. Aadhar (UID) No.:........................................................................................................................................

15. Any other relevant details ...................................................................................................................................

Declaration: I certify that I fulfil the eligibility criteria and details given above are true to the best of my knowledge.

Date-
Place- Full Signature of the Applicant

Part– 2 (To be filled by Employer)

1. This application of Mr/Mrs/Ms./Dr. ....................................................................................................................

Designation ..........................................................Department/Institution..................................................

...........................................................................................................................................................................

is being recommended and forwarded to attend the aforesaid National Workshop on “Quality Doctoral Research and Structural Equation Modelling” (12-16 March, 2020).

Place: ......................... Date: ....................... Signature of the Registrar/Principal/Director/Competent Authority (With the Seal)

Mobile No.: ......................................................

Scanned copy of duly signed Application form to be sent to: nmttsoe@gmail.com

* Please bring original copy of application form if selected.

** There is NO registration fee for this workshop.

*** TA will be reimbursed to the selected participants as per University norms.
